A hung lure that is not in or on the water is not considered in use and may be set aside while another permitted in use at any given time. All bass must be caught live and in a conventional sporting manner. If a competitor breaks his line while setting the hook or retrieving a fish, he is allowed to make an attempt with the rod being used or by hand to secure the line and land the fish to be counted as legal. He may NOT hook the line with another lure, rod and reel, or other device. If a competitor loses his rod and reel while landing a bass he MAY use another rod and reel to retrieve the lost outfit. If that rod and reel is verified to be the lost outfit that bass may be landed and counted as a legal fish. Anyone guilty of snatching or snagging visible fish will have their catch disqualified. When visually fishing a bed or for bedding bass, to be counted as a legal fish, all bass must be hooked inside the mouth and must be verified by your partner before being unhooked. With the mouth closed naturally, you must not be able to see where the hook point enters the fish to be considered hooked inside the mouth. Competitors are allowed to share baits and tackle at all times including competitors who have been cut from competition. **Beginning in 2017 cull tags designed to penetrate a fish’s mouth will not be allowed.**

The horsepower of the outboard engine must NOT exceed the rating specified on this plate or the horsepower maximum set by B.A.S.S. Each competitor and boat captain agrees to submit, by his/her signature on the official entry form, the boat and outboard motor used in the tournament to an inspection by factory-trained personnel, if there is any reason to suspect the horsepower is in excess of the rating. Normal maintenance of engines is allowed. Changing or altering standard factory parts of a competitor’s engine to increase the horsepower over the factory horsepower rating is forbidden, and will result in disqualification. Falsifying information on entry forms or altering the horsepower-rating numbers on the engine is also cause for immediate disqualification from B.A.S.S. tournaments. Posted speed limits and those imposed by B.A.S.S. must be observed and all boats must be operated in a safe manner. Violations of speed limits shall result in loss of competition hours and not limited to disqualification.

Only one manufactured lanyard may be used and it must be attached to the driver’s body any time the combustion engine is operating and in gear.

Anytime the combustion engine is operating and in gear, there must be a driver in the driver's seat in full control of the boat. Fishing boats that are 16 feet or more in length may be used. Any raised platform or decks cannot be higher than the gunnels of the boat. Standing on the outboard or seats while fishing is not allowed. An electric trolling motor may be used for slow maneuvering; however, trolling as a method of fishing is prohibited. **The strolling or long line technique is only allowed with the trolling motor. No exceptions.** All bladder tanks and any other type of auxiliary gas tanks that are not installed by the boat manufacturer are prohibited. Additional gas tanks that are factory options and installed by a manufacturer's authorized dealer are permitted. Boats that do not have factory-installed gas tanks are restricted to a maximum of 18 gallons of gasoline in tanks that meet U.S. Coast Guard regulations. Gas tanks must be properly secured or strapped in a boat. No portable gas tanks or containers capable of holding gasoline can be placed anywhere on the tournament waters or shoreline for use by any tournament competitor. During official competition, every boat must have live-well space, properly aerated, to adequately maintain alive, a limit catch of bass. B.A.S.S. recommends live-wells be maintained at full level and aerators/re-circulators on manual. Tournament officials shall have the sole responsibility for determining whether aeration and capacity is proper and adequate.

11. BOAT IDENTIFICATION: Prior to each day's start, each boat must be given an inspection check by a tournament official. Each day, each boat may be given a number, which **must** remain with the boat. This number must be displayed upon the request of tournament officials, and at each check-in.

12. BOAT OPERATION AND EXPENSE: In B.A.S.S. events where observers replace anglers as the official rider, observers cannot assist the competing angler in any way. Observers are not required to help with gas and oil expenses.

13. PERMITTED FISHING LOCATIONS: Tournament waters shall be established by the Tournament Director for each tournament. Each competitor must obtain this information from the B.A.S.S. Junior Nation Department. Any water within these boundaries posted "Off-Limits" or "No Fishing" by state or federal agencies as well as the live-B.A.S.S. release area established by the Tournament Director will be **OFF-LIMITS** and will be announced at the Tournament Briefing. Only that water open to **ALL** public fishing will be considered tournament waters. All angling must be done from the boat. Competitors wishing to change fish habitat by placing any object in the tournament waters may do so if such action does not violate state or federal regulations. Prior to the tournament registration, any questionable areas must be brought to the attention of tournament officials to be considered tournament waters and may be announced in the briefing for all to hear unless determined otherwise by tournament officials. Tournament officials reserve the right to restrict or enhance tournament waters based on conversations with local authorities.

14. COMPETITORS MUST REMAIN IN BOAT: During the competition days, competitors must not depart the boat to land fish or to make the boat more accessible to fishing waters. Boats must remain in tournament waters during tournament days. Competitors must leave from and return to official checkpoints by boat. Both competitors must remain in boat at all times except in case of dire emergency or with permission from the Tournament Director. Exceptions spelled out in rules 5, 14 and 17. In such an emergency, or with permission from the Tournament Director, competitors may be removed from their boat to either a boat operated by other competitors or a rescue boat designated by the Tournament Director. Partners must remain together at all times, in sight of each other and each other's catch under the conditions cited above, in order for their catch of that day to be scored in the tournament. In the event of a needed restroom break a refueling situation at a marina gas pump, contestants are allowed to leave the boat, at which time all fishing must cease until partners are back together in the boat. If a competitor violates any of the above conditions, (to contact a tournament official by phone or other means or to report an emergency or breakdown), both competitors must cease fishing at this point, and their catch must be verified by a tournament official in order to be counted in the tournament. If, after the emergency situation is resolved by tournament officials, and enough time is left for the competitors to resume fishing, a **RESTART** will be allowed, the competitors will continue and their catch will be counted. This applies only to dire emergency situations as determined by the Tournament Director or his/her designee. Towing boats on trailers during tournament hours is prohibited, except by the direction of tournament officials.

Competitors are allowed to leave the boat to retrieve a lure. All fishing by that competitor must cease until back in the boat before making another cast.

15. OFFICIAL CHECKPOINTS: There shall be only one official check point for check-out in the morning, and one official check-in point in the afternoon, which points shall be designated at the tournament briefing. Failure to go through boat check and check-out in the morning or failure to check-in at the check-in point in the afternoon may result in disqualification. At the time of check-out, all competitors and their boats shall be in full conformity with all rules set forth by the Tournament Director. At check-in, all boats shall identify themselves by means of the numbers described in Rule 11 and proceed immediately to the designated weigh-in area. Partners must stay together, through the weigh-in process if both are weighing bass. Once bass are bagged for weigh-in, anglers that are not weighing bass do not need to accompany their partner through the weigh-in process.

16. SCORING: Tournament standings, contingency awards and final winners shall be determined by the pound and ounce weight of each competitor's catch during the competition days of the tournament. Only Largemouth, Smallmouth, Spotted, Redeye or Shoal bass will be weighed. The limit shall be 5 of the above species and varieties per day, unless otherwise specified by tournament officials. (example – hot weather/fish care concerns) At no time shall a competitor have in his or her possession more than the tournament limit. If a competitor determines they have over the limit they must immediately reduce his catch to the tournament limit with a live bass of their choice from their catch. Each returned bass will result in a 2 pound penalty to be deducted from their daily score. In this case, competitors must attempt to notify tournament officials and if unsuccessful must notify officials at check in. Once a competitor checks

in they must present all legal bass to tournament officials at the verification table. If competitors at the verification table have more than the tournament limit, the competitor will reduce with live bass to the tournament limit and each returned bass will result in a 2 pound penalty to be deducted from their daily score. The official length for bass shall be determined by the Tournament Director and announced at the Tournament Briefing. In most cases it will be the longest state limit covering the tournament waters. Only bass as described above which measure the official length or more on the longest straight line, shall be weighed. Bass presented for weigh-in, which fail to measure the official length, shall result in a penalty of 1 pound for each such bass, which penalty shall be deducted from the total score of the competitor. Any bass that appears to have been mangled, mashed, mauled or otherwise altered will be weighed and credited only at the discretion of tournament officials. After competitors check in at the official checkpoint they MUST present all LEGAL fish in their possession to a tournament official to be counted, measured and weighed. Once a competitor's catch is measured, counted and verified by a tournament official, that competitor may not return to the boat until their catch has been weighed and recorded. Bass must not be stringered at any time during the tournament. Culling tags or clips are allowed. Specially designed bags which increase survival rate will be furnished by the Tournament Director and must be used for the weigh-in.

17. CATCH AND RELEASE: CULLING OF DEAD BASS IS PROHIBITED. For each legal dead bass presented to weigh-in officials, the competitor shall be penalized 4 oz. The Tournament Director or his designees shall have sole authority for accessing penalty points. In addition, the Tournament Director, or his/her designees, may reduce tournament hours or tournament limits for fish care purposes. It is suggested in warm weather tournaments anglers keep extra ice for fish care. Contestants are allowed to purchase ice on the water; however they are not allowed to receive ice from non contestants. Upon mutual consent between both competitors paired together, for fish care concerns, the verification table will open one hour prior to check-in time of the first flight. SMALL DIP NETS FOR CULLING PURPOSES ARE ENCOURAGED.

18. LATE PENALTY: Competitors who are not at the official check-in point, as described in Rule 15, at the appointed time, shall be penalized at the rate of 1 pound per minute late to be deducted from the total weight of his/her catch that day, including any weight to be counted toward a "big bass award". Any competitor more than 15 minutes late shall lose all credit for that day's catch. There shall be no excuse for tardiness and in no case shall a competitor be allowed to make up "lost time." After proper recognition at the check-in point, competitors will be allowed ample time to proceed to the weigh-in site; however, all fishing must cease upon check-in. After the tournament begins, fishing the tournament waters is prohibited except during the tournament hours. Exact starting and check-in times will be announced at the tournament briefing. It is each angler's responsibility to confirm check-in times each day on the daily pairings.

19. TIES: At any B.A.S.S. Junior Nation tournament, in case of a tie for first place at the end of the tournament that is not resolved by the following five (5) tie breakers there will be a sudden-death fish-off between the tied competitors, under the direction and special rules established by tournament officials.

All other team ties, the following tie breakers will be used in the following order: (1) the heaviest single day catch during competition (2) if the tie is not broken, the next tiebreaker will be the second heaviest single day catch during competition. (3) if the

tie is not broken, the next tiebreaker will be the largest number of legal **live** fish weighed during competition; (4) if the tie is not broken, the next tiebreaker will be largest number of legal fish weighed during competition; (5) If the tie is not broken, the next tie breaker will be the biggest bass weighed. If the tie is not broken by applying the foregoing procedures, the tie will remain a tie, and monetary prizes will be awarded in an equal amount between the tied teams. In the instance where merchandise is involved, prizes will be awarded as determined by tournament officials.

20. PAIRING OF COMPETITORS: Two competitors from the same Junior club will be assigned to each boat. It will be the responsibility of each partner to appear at a mutually agreed upon location with sufficient time remaining to check-out at the official checkpoint and start on time. Tournament officials shall have no responsibility for finding missing partners. It is suggested that a minimum of 30 minutes is required for preparation to depart to the check-out point. When two competitors check out at the beginning of the day, they must stay together and within sight of each other and each other's catch throughout the day until the weigh-in; except in case of dire emergency (see Rule 14,15 and 17). A team must not allow any bass caught by them to be counted on the score of another team. In such a case, both competitors shall be disqualified from this tournament and from all future tournaments conducted by B.A.S.S.

21. RULES VIOLATIONS AND APPEALS COMMITTEE:

An appeals committee will be established by B.A.S.S. which shall be comprised of one B.A.S.S. employee not affiliated with the Tournament Department, and two anglers who are not competitors in the event in question. Appeals for penalties assessed under PENALTIES (b), (c), (d), (e) & (f) must be presented in writing 48 hours from the time and date of ruling to the Tournament Director. Appeals hearings shall take place within seven (7) business days from the date of receipt of the written appeal and all parties must make themselves available at prescribed time of hearing. If competitors admit to a rules violation, they may not file an appeal of either the finding that they have violated the rules or the penalty imposed for the violation. Decisions of the appeals committee shall be final.

Competitors are allowed to compete under appeal however penalties assessed under PENALTIES (e) and (f) will remain until final ruling by Appeals Committee.

Appeals of non-competition rulings must be presented in writing to the Tournament Director within 48 hours from the time and date of ruling for review

B.A.S.S. may, however, restrict the use of patches, logos, signage, etc. that promote or advertise products which are, in B.A.S.S.' sole judgment, in poor taste. B.A.S.S. will provide as much advance notice as possible to the competitors in such instances. By signing this document, each competitor agrees to wear The B.A.S.S. Shield on the front of your club jersey or hat. School name and colors must be prominently displayed on your jersey. For every competing tournament trail logo(s) that is present on your jersey, there must be one (1) B.A.S.S. shield or B.A.S.S. logo of equal size or larger. In addition, if B.A.S.S. provides any ancillary clothing or products (such as life vests) bearing the logos of B.A.S.S. or the official sponsors of B.A.S.S. each competitor shall wear such clothing or utilize such products in a manner requested by B.A.S.S.

23. TAXES: Some state or federal laws require income taxes be paid on awards, such as scholarships. Anglers/Observers are responsible for all applicable taxes on all awards. Various States require tax on merchandise be paid upon the awarding of certificates and teams or individuals awarded merchandise certificates in these States are responsible for remitting their tax to B.A.S.S. Failure to meet that obligation may result in fines or disqualification from all future B.A.S.S. events.
