2.2. I shall indemnify, defend, and hold harmless the Released Parties against all Claims, whether or not a lawsuit or other proceeding is filed, to the extent that they arise out of : (1) my breach of the terms of this Agreement, (2) gross negligence, or willful misconduct by me, my agents or those acting on my behalf; (3) my violation of any applicable law, ordinance, rule, or regulation, including but not limited to all rules and guidelines applicable to Tournament Series events; (4) breach of any warranty provided by me to Released Parties hereunder. I shall provide B.A.S.S. with prompt notice of any

claim and give complete control of its defense and settlement to B.A.S.S. ### **3. GRANT OF RIGHTS**

3.1. I hereby irrevocably grant permission to B.A.S.S., LLC and its affiliates and subsidiaries, the successors of each of the foregoing, and each of their respective agents, licensees, and assigns and those acting under their permission or upon their authority (collectively, the "Licensees"), in perpetuity, a worldwide, non-exclusive, royalty-free, fully paid up license to reproduce, display, exhibit, publish, broadcast, distribute, and otherwise use, and permit others to use, my name, image, nickname, initials, symbols, likeness, signature, photograph, voice, statements, biographical material, and any and all attributes of my personality and appearance (collectively, my "Identity") in materials created in connection with my participation in the Tournament Series (collectively, the "Materials"), alone or with other materials, in connection with the promotion of B.A.S.S., LLC, the Tournament Series and any other events staged by B.A.S.S., LLC, in any and all manner and media now known or hereafter devised, including without limitation, in print, on television programs, websites owned by or affiliated with the Licensees, on third-party websites, in social media channels, in public relations materials and for any lawful purpose in its sole discretion. I represent and warrant that I have or shall obtain any rights and permissions from all third parties sponsoring or affiliated with me needed by B.A.S.S. (the "Third Party Rights") to effectuate the grant of rights set forth in paragraph 3.1. These Third Party Rights from sponsors and affiliates shall grant B.A.S.S. the right to utilize such third party logos, insignia, trade dress or other intellectual property (collectively "Third Party IP") shown in any Materials featuring me, or otherwise in connection with B.A.S.S.'s use of my Identity as set forth in paragraph 3.1. Provided that such Third Party IP is only shown in conjunction with my Identity, (for example, on apparel worn by me or on items used by me), B.A.S.S. shall not be required to seek approvals from such Third Parties.

3.3. I acknowledge that the Licensees have no obligation to use the Materials or my Identity. I hereby waive any right that I may have to inspect or approve any finished product or the use to which it is applied and I agree no further approval is required for the Licensees to use any Materials or my Identity and that the Licensees will not be liable to me for any distortion or illusionary effect resulting from the exhibition, publication or broadcast of the Materials or my Identity. Angler may also live stream during a tournament, except when Bassmaster LIVE has a camera in Angler's boat. B.A.S.S. reserves the right to revoke this permission at any time if B.A.S.S. in its discretion believes the content is inappropriate or in any way violates other B.A.S.S. rules. Angler must remove such content within two (2) hours of notification.

#### **4. INSURANCE**

I represent and warrant that I now have or will obtain prior to the Tournament Series, boat owners liability insurance (including coverage for third party property damage and bodily injury) with no "tournament exclusion," having a minimum limit of \$300,000 per occurrence. The insurance must be issued by a reputable insurer rated A or better by A.M. Best and Company. Policy must include international waters, or a separate policy for international waters must be obtained if I choose to fish international waters during applicable B.A.S.S. events. I shall provide B.A.S.S. with satisfactory evidence of that insurance prior to my participation in any Tournament Series event or at any time requested by B.A.S.S.

#### **5. MISCELLANEOUS**

5.1 Contingency Programs. Contingency programs are sponsor-funded programs developed to reward Anglers based on a predefined set of criteria. Participation in contingency programs is at the Angler's discretion.

5.2 Uniforms. Angler is required to wear a uniform during takeoff and weigh-in, and when on camera or other times as determined by B.A.S.S. It is required that Angler wear the American flag embroidered on the left or right shoulder of the uniform. If Angler is from a country outside the United States, Angler may embroider their nation's flag on their uniforms in addition to the United States flag. The other nation's flag cannot be placed on the same side and above the U.S. flag. Angler is encouraged to wear their own clothing, which may bear patches, logos and other signage promoting the Angler's sponsors. B.A.S.S. reserves the right to restrict the use of patches, logos, signage etc. that promote or advertise products which are, in B.A.S.S.'s sole judgment, in poor taste or inconsistent with the B.A.S.S. brand identity. B.A.S.S. will provide as much advance notice as possible to the competitors in such instances. Each Elite Angler is required to follow the uniform guidelines spelled out in the 2023 Elites Series booklet. Failure to comply with uniform guidelines may result in a \$250 fine.

5.3 Wrapped Boats. Each Elite Angler is required to start the season with one wrapped boat for all 2022 Elite Series competitions. Any changes during the season

must be to a comparable boat as approved by tournament officials. Anglers are required to use their wrapped boat during both practice and competition unless approved by tournament officials. Each Elite Angler is required to follow the wrapped boat guidelines spelled out in the 2023 Elites Series booklet.

5.4 No Competing Logos. No competing tournament trail logos other than B.A.S.S. will be allowed on uniforms, rain suits, PFDs, or complete boat packages, etc. Tow vehicles bearing emblems or logos of competing tournament trails will not be permitted in drive-through weigh-ins.

5.5 Other Events. If Angler elects to participate in other B.A.S.S. sanctioned tournaments, Angler will be required to execute a Participation Agreement containing the applicable rules and regulations, code of conduct and Tournament Series specific content such as wrapped boat and uniform guidelines.

5.6 Additional Requirements. Angler agrees to participate in programs recommended or developed by B.A.S.S. that promote the growth of the sport and to fully support programs intended to raise awareness of my individual angler brand and identity.

6.2 Communication. Angler must provide B.A.S.S. with a current e-mail address. Angler agrees that delivery of any notice, communication, guideline or instruction to Angler via email shall constitute notice to Angler and shall comply with any notice requirements set forth herein. Angler must also provide a personal cell number capable of receiving text messages from B.A.S.S.

6.3. Governing Law, Venue, and Jurisdiction. This Agreement shall be governed by and interpreted in all respects in accordance with the substantive laws of the state of Alabama, without regard to its choice of law and/or conflicts of law principles. Angler irrevocably agrees that any disputes directly or indirectly arising out of or relating to this Agreement shall be resolved exclusively in the state or federal courts located in Jefferson County, Alabama, and consents to such venue and to the exclusive jurisdiction of any such court over any such dispute.

6.4. Miscellaneous. If any provision of this Agreement is determined to be invalid by a court of competent jurisdiction, such determination shall in no way affect the validity or enforceability of any other provision herein. This Agreement sets forth the entire agreement of the parties with respect to the subject matter hereof and supersedes any and all prior or contemporaneous oral and/or written representations, discussions, negotiations, understandings, and/or agreements relating to the subject matter hereof. This Agreement may not be modified except by an instrument in writing signed by both parties. In signing this document, I am not relying on any promises, representations or other statements that are not contained in this Agreement.

6.5. Electronic Signature. The execution of this document by electronic mail or by any other electronic or digital means shall be deemed to constitute effective execution

of this document. Any signature transmitted by facsimile, email or other electronic or digital means shall be deemed an original signature for all purposes.

I UNDERSTAND I MUST SIGN AND DATE THIS AGREEMENT PRIOR TO PARTICIPATING IN THIS EVENT. MY REGISTRATION IS NOT COMPLETE UNTIL B.A.S.S. ACKNOWLEDGES RECEIPT AND ACCEPTANCE OF THIS AGREEMENT AND ALL OTHER NECESSARY DOCUMENTS. THE TOURNAMENT OFFICIALS RESERVES THE RIGHT TO DENY MY PARTICIPATION IN THE TOURNAMENT SERIES OR ANY COMPONENT THEREOF FOR ANY REASON AND, UPON SUCH DENIAL, TO REFUND THE DEPOSIT OR ENTRY FEE.

## **Official Rules of Competition**

### **C1. RULES AND PENALTIES**

The following rules shall apply to all Bassmaster Elite and Bassmaster Classic events except that (i) rules for special tournaments may differ from those contained herein and (ii) these rules may be changed by B.A.S.S. immediately upon notice by B.A.S.S. to its members, which notice may be published on the B.A.S.S. internet site at [www.bassmaster.com](http://www.bassmaster.com). Interpretation and enforcement of these rules shall be left exclusively to the Tournament Officials or his/her designee at a tournament. In the event of a rule violation, the Tournament Officials or rules committee may impose such sanctions as deemed appropriate by them, including, without limitation, disqualification, forfeiture of prizes and entry fees and prohibition from participation in subsequent tournaments. Subject to the appeal process set forth in paragraph C23, below, the decision of the Tournament Officials, his/her designee, or the rules committee shall be final in all matters.

Elite Series pros are required to police themselves each competition day and must sign a Rules Adherence Form. If a pro angler has a concern regarding his catch or knowledge of possible violations by another competitor, he should not sign off on rules adherence. Instead, he should weigh his fish, and consult with rules officials immediately after weigh in. Anglers who sign off to full adherence and are later found guilty of a rules violation **MAY BE DISQUALIFIED** from the tournament. Anglers not signing the official rules adherence form, or scorecard, will not start next official competition day unless directed by tournament officials.

Except for very serious rules violations, as determined by B.A.S.S., and any rules that might lead to disqualification of an angler from participation in the Bassmaster Elite Series or other B.A.S.S. circuits, rules violations must be reported to tournament officials within 24 hours of the final flight check-in on the day of the alleged violation.

Penalties for rules violations may include the following:

- (a) Reduction of practice hours or competition hours as determined by the Tournament Officials
- (b) Loss of one or more fish caught in potential violation of rules or regulations. All bass under question must be marked and verified by your Marshal/camera operator. If not verified the entire catch may be disqualified.
- (c) Loss of catch for the day of the violation
- (d) Disqualification from the tournament in question
- (e) Disqualification from future B.A.S.S. events, which may be from a specific number of events or for a specific period of time up to or including a lifetime disqualification
- (f) Any different or additional penalties determined by the Tournament Officials including, but not limited to monetary fines and/or reduction of Angler of the Year points. Also see fines schedule under Angler Code of Conduct (C7).

### **C2A. PARTICIPANTS AND ELIGIBILITY**

(i) Elite Series tournaments are open only to current members of B.A.S.S. who are 16 years of age or older. However, employees, officers and directors of B.A.S.S. or its parent, subsidiary and affiliated companies and members of their immediate families (spouse, parents, children and siblings, regardless of where they live) are ineligible. To be eligible for the 2024 Bassmaster

Classic, Elite pro anglers must participate in all 2023 Elite Series events in which they are eligible. Only emergencies will be approved by the Tournament Officials.

(ii) During the official practice and competition days of any B.A.S.S. tournament, no competitor may operate a boat unless that contestant has documented proof of a minimum of \$300,000, per occurrence, in boat owners' liability insurance (see participation agreement for full details) covering the boat being used in the tournament. Proof of insurance must be with the boat being used and must cover all passengers in that boat. Random checks will be conducted, and any competitor who does not have proof of in-force insurance with \$300,000 coverage may be disqualified. Each policy must show an effective start and expiration date. Tournament officials have sole authority to determine if insurance policies meet B.A.S.S., LLC requirements.

(iii) Elite anglers will be provided a payment schedule, which they must adhere. Each calendar year prior to competing in a B.A.S.S. event, all competitors must complete a W-9 and when required a Form 590 or W-8 BEN provided by B.A.S.S. If tax status or address changes occur new forms must be submitted prior to participation in the next B.A.S.S. event. The Tournament Officials reserves the right to discontinue acceptance of applications prior to deadline and also the right to extend the acceptance date. Elite Pro DEPOSITS ARE NON-REFUNDABLE AND NON-TRANSFERABLE REGARDLESS OF DATE OF CANCELLATION.

Competitors may miss an event in cases of dire emergency only on approval from the Tournament Officials. Elite Series participation fees are paid for the entire series, not on an event-by-event basis. While a competitor may miss an Elite Series event in case of a dire emergency, fees for the Elite Series have to be paid on schedule and in full. There will be no refund for a missed event. Elite anglers will be furnished a payment schedule with penalties for late payments.

Competitors agree to use any and all official equipment provided by B.A.S.S. in the Elite Series and the Bassmaster Classic.

### **C2B. MARSHAL ELIGIBILITY**

Immediate family members or significant others of an Elite angler are not allowed to enter as a Marshal. Any candidate for Marshal who, in the judgment of the Tournament Officials, is compromised in such a manner as to unfairly hinder his/her partner or endanger the safety and well-being of their partner or themselves may not be eligible. All marshals must be an active B.A.S.S. member.

The preferred method for Marshal registration is online at [www.bassmaster.com](http://www.bassmaster.com). Bassmaster Elite Series Marshals must provide a properly completed and signed official entry form, and the total event fee must be received by the B.A.S.S. Tournament Department on or before the event fee deadline date.

### **C3. PRACTICE AND COMPETITION**

- i. Special off-limits and practice periods for the Bassmaster Classic will be announced by B.A.S.S. Off-limit periods for the Bassmaster Classic and Elite Events will start on a Monday, 12:01 am local time of each event site as posted by B.A.S.S. There will be a three-day practice period prior to the first competition day for Elite Series tournaments. Off-limits for Elite events begins on the Monday closest to 28 days prior to the first practice day. Practice for events not ending on Sunday may start on a different day to be announced by B.A.S.S. Restrictions a – e listed below apply.

- ii. Once the Elite Series Schedule is officially announced, current or qualified Elite anglers, regardless of the event date, will fall under restrictions a – e below:
  - a. 2023 qualified Elite anglers cannot gather waypoints or specific fishing locations i.e. creek, river, area of the lake, etc. from any source that is not publicly available. Anglers may participate in general discussions with fans and others about fishing, especially including boat shows, seminars and the like; however, they must not use such conversations to intentionally gain a competitive edge for fishing on a future Elite event. To be safe in such situations, the angler should discontinue conversations that focus on specific locations or other information that might result in a competitive advantage.
  - b. Outside the 28-day tournament water off-limits period, competitors who are licensed guides on a body of water before the schedule is announced are allowed to take clients out, even if that client has been on tournament waters in the past, as long as the competitor does not solicit any waypoints or fishing locations from the client.
  - c. Approved photo shoots, media events, and other approved outings on tournament waters are allowed outside the 28-day tournament water off-limits period as long as competitors are not in the boat with non-contestants for the purpose of acquiring waypoints or locations, or gaining a competitive advantage on tournament waters.
  - d. 2023 Elite qualifiers are not allowed to pre-fish on tournament waters outside the 28-day tournament water off limits with anyone who has knowledge of the tournament waters, unless the only knowledge was gained exclusively from that Elite angler.
    - i. Example: Elite Anglers may fish with anyone who has only been on that water with the Elite Angler and not anyone else.
  - e. 2023 Elite qualifiers are allowed to pre-fish with another 2023 Elite qualifier prior to the standard 28-day tournament water off-limits period.
  - f. Outside the 28-day tournament water off-limits period, competitors are allowed to fish by themselves or as a boater for randomly drawn tournaments on tournament waters as long as the Elite angler qualified for the tournament and/or is a nationally sanctioned tournament, and as long as the competitor does not solicit any waypoints or fishing locations from the randomly drawn co-angler or other competitors fishing the event.

Anglers must notify B.A.S.S. at least 48 hours prior to the start of the tournament(s) of what tournament(s) the angler is fishing, dates, body of water and entry fee. B.A.S.S. may administer additional truth verification tests randomly to those participating in these tournaments on tournament waters.
- iii. Outside the 28-day tournament water off-limits period, Elite Anglers are allowed to be on tournament waters with immediate family members (spouse/significant other, father, mother or children) even if the immediate family member has been on tournament waters in the past with someone other than the Elite Angler and as long as the competitor does not solicit any waypoints or fishing locations from the family member. This includes an Elite Angler captaining a high school or junior team of which their child is a member in an official event.
- iv. In emergency situations, i.e., floods, etc., anglers, with notification of tournament officials, are allowed to be on tournament waters for rescue operations during off-limits periods.
- v. The standard 28-day rule prior to any Elite event remains unchanged.

- vi. Participating Elite anglers are allowed to talk to other Elite anglers regarding fishing on tournament waters subject to the restrictions of C3(xiii).
- vii. No 2023 Classic qualifiers are allowed to gather waypoints or locations, or initiate or participate in any communication for the purpose of locating bass on Classic waters.
- viii. 2023 Classic qualifiers are not allowed to pre-fish on Classic waters prior to January 1, 2023 with anyone who has knowledge of Classic waters unless the only knowledge gained was from the Classic qualifier. 2023 Bassmaster Classic qualifiers are allowed to pre-fish with another 2023 Classic qualifier between now and January 1, 2023.
- ix. During the 28-day tournament water off-limits periods, other than using publicly-available information (e.g. newspaper and Internet reports), competitors cannot solicit, gather or intentionally receive any information via phone, electronic devices or any other means about locating or catching fish on tournament waters. THERE SHALL BE NO EXCEPTIONS. For a first offense, the competitor may be disqualified from the tournament or penalized competition or practice hours. For a second offense, the competitor will lose his eligibility for the following year's Elite Series events. During official practice and competition, anglers cannot solicit, gather or intentionally receive any information to gain a competitive advantage from anyone other than another competitor in the tournament NO EXCEPTIONS. Any contestant accused in writing of violating the off-limits or information rule to tournament officials may be subject to a truth verification test relevant to the charges. Accusers may be required to take a truth verification test. Failure to pass the truth verification test may result in disqualification from the tournament.

During official practice no practicing at night, defined as beginning at 30 minutes after local sunset and ending 30 minutes before local sunrise, to include running to and from a fishing location. In practice and competition, when running in low light conditions, running lights should be in operation.

Competitors eliminated from competition are not allowed to fish on tournament waters until all competition is complete. Photo and video shoots, including those involving fishing, and other sponsor obligations may be allowed in the tournament off-limits live release area or other off-limits areas upon approval from tournament officials. Elite Series anglers are not allowed to have anyone in their boats during official practice, with the exception of a media observer, first responder, or military veteran approved in advance by B.A.S.S. Media observers, first responders and military veterans must sign a waiver form provided by B.A.S.S. Communications in advance of getting into the pro's boat. Only first responders, military veterans and approved media will be permitted to ride along during practice. It is the responsibility of the angler to determine whether a media representative has been approved for ride-alongs during practice. B.A.S.S. reserves the right to assign practice riders.

(xi) No competitors will be allowed on tournament waters after registration until the first day of competition, except under rule C3(xii). Unless otherwise specified, all official times are specific to local host community. The competitor must know and observe these dates and times. During both the official practice and the tournament, a competitor may not solicit or intentionally receive the assistance or advice of anyone for the purposes of locating or catching bass, nor enter the tournament waters with anyone who has been on the tournament waters during the off-limits period, including, but not limited to, a professional guide, state or federal wildlife agency employee or any other person deemed an "expert" on these tournament waters by the Tournament Officials, unless they are a competitor in the tournament. Marshals are not allowed to share information with Elite anglers and are subject to truth verification tests should they be accused of rules violations. NO EXCEPTIONS. Flying over tournament waters, other than on a ticketed

commercial airline, is prohibited during off-limits, official practice and competition unless approved by the Tournament Officials. The use of drones for the purposes of locating or catching fish or otherwise gaining a competitive advantage is prohibited in both official practice and competition. During the official practice, competitors are not allowed to livewell or keep any bass unless they have permission from tournament officials.

(xii) Anglers renting boat slips may launch boats and proceed immediately to slip location the day before practice begins. Testing of engines during the 28-day off-limits period is not permitted on tournament waters. Testing of engines after the weigh-in is only allowed with permission from the Tournament Officials. No Exceptions. During the official practice and during the tournament, a competitor may not snorkel, “skin dive” or “scuba dive” in the tournament waters.

(xiii) No competitor may buy or barter a fishing location from any other competitor for use during any competition day. Competitors not making a cut are no longer considered in the tournament and as such may no longer discuss fishing on tournament waters with other anglers who did make the cut.

(xiv) During the official competition days of the tournament, a competitor may not make cell calls for the purpose of locating or catching fish on tournament waters. Cell phones may be used for emergency situations. Under the direction of B.A.S.S. officials, competitors may use smart phones for BASSTRakk purposes to include obtaining unofficial scores during the tournament day. Competitors are allowed to call lockmasters for locking purposes only. Competitors are allowed to use smart phones for global maps, weather, power generation, tidal charts, notes, etc. During competition days, anglers may not log onto websites or participate in social media with the intent of gaining a competitive advantage.

(xv) A designated tournament official must be granted access to a competitor’s boat at any time during the official practice or competition days. Failure to grant such access may result in immediate disqualification.

(xvi) During Competition, Anglers will be required to provide, mount and maintain their own personal camera (POV) in their boat. The POV camera must be mounted so that it’s recording at all times with a full view of the angler and livewells while fishing. Each day’s recording should be saved until the next Elite event and at the request of B.A.S.S., all footage must be submitted immediately.

(xvii) Each competitor agrees to report to the Tournament Officials immediately any violation or infraction of any tournament rules. Failure to report violations, suggestions to another competitor that they violate these rules or false verification of weigh-in forms may be cause for disqualification. Official protests must be filed in accordance with Rule C1. All parties of interest will be provided a copy.

By signature on the Elite Series participation agreement or the official entry form, each competitor agrees to submit to a truth verification test and abide by its conclusion should he/she be accused of any rule violation. Failure to pass a truth verification examination is not appealable. The B.A.S.S. Tournament Officials or rules committee or such person designated by the Tournament Officials shall have the discretion to determine the need for a truth verification test. The B.A.S.S. Tournament Officials or his/her designee shall be responsible for selecting an independent expert to administer and interpret the results and establishing, in consultation with the expert administrator, the scope of the questions which may be asked during the test. The B.A.S.S. Tournament Officials or his/her designee shall have sole responsibility selecting the

location, date, and time of the test nearest B.A.S.S. headquarters with respect to all concerned parties schedule and travel cost. The competitor shall make himself/herself available at the location selected by the Tournament Officials and shall cooperate in all respects with such test. Prior to any exam competitors must discuss any information received unintentionally per rule C3(i). Anglers taking a truth verification test may be responsible for any and all costs incurred. Random truth verifications tests may be administered on site during the course of an Elite Series Event.

#### **C4. REGISTRATION/Check-In**

Each competitor must register/check-in in person with official B.A.S.S. staff at the time and place designated in the schedule of events. Failure to register/check-in in person during the prescribed hours may result in a \$100 fine. Any competitor, who has not contacted the B.A.S.S. Tournament Staff by the closing of the posted onsite registration, may be disqualified from participating in the tournament. IT SHALL BE EACH COMPETITOR'S RESPONSIBILITY TO EITHER CHECK THE SCHEDULE OF EVENTS FOR REGISTRATION/CHECK-IN TIME AND LOCATION OR OBTAIN TIMES FROM THE B.A.S.S. TOURNAMENT DEPARTMENT.

#### **C5. SAFETY**

(i) Safe boat conduct must be observed at all times by competitors. During the official practice and competition, each boat passenger must wear a Coast Guard-approved chest-type life preserver anytime the combustion engine is running. This preserver must be strapped, snapped or zippered securely and maintained in that condition until the combustion engine is shut off. Inflatable life vest indicators should be checked daily. Violation of this rule may be reason for disqualification. Inflatable PFD's are allowed as long as U.S. Coast Guard regulations are met. The Coast Guard requires that Inflatable PFDs be worn at all times unless there is an equal number of non-inflatable Coast Guard approved PFD's on board. Elite anglers must carry two Coast Guard approved chest-type life preservers per boat.

(ii) When boating in low visibility situations, i.e., fog, heavy rain, during both practice and competition, competitors must operate their boats at a safe speed and in a safe manner as determined by tournament officials.

(iii) Radar units permanently mounted in the boat, subject to approval by B.A.S.S., may be approved for competition.

It is recommended that each contestant successfully complete a boating safety course. Boating safety certification, or a "grandfather" exception, may be required in certain states. Boating safety courses are available online and should carry an endorsement by the National Association of State Boating Law Administrators or NASBLA.

(iv) Tournament officials may delay, shorten or cancel any part of an official tournament day or restrict tournament waters because of weather or other factors that would endanger the safety of the competitors. Delays on full field days resulting in half of the tournament day being lost (first flight take-off and check in) may result in cancellation. Full fields may be carried over to cut days. In the event of cancelled day(s), any Elite Series event will be extended no more than one day after the scheduled conclusion date.

(v) B.A.S.S. reserves the right to impose boat speed limits during any or all tournaments. Whether or not to impose a speed limit, the area covered by the speed limit and/or the actual speed limit imposed shall be left exclusively to the discretion of the Tournament Officials. All boats used in Elite Series events must have a GPS unit on the console capable of displaying current miles per hour while on plane.

**(vi) In the event of an emergency situation, competitors should call 911 first and then notify tournament officials as soon as possible.**

**(vii) Competitors and Marshals are allowed to leave the boat in case of emergency or when danger may be imminent.**

## **C6. SPORTSMANSHIP**

Competitors in B.A.S.S. tournaments are expected to follow high standards of sportsmanship, courtesy, fair play, safety and conservation. Any infraction of these fundamental sporting principles may be deemed cause for disqualification.

(i) Use of alcohol or drugs (other than those purchased over-the-counter or prescribed by a licensed physician) by any competitor during official practice or the tournament will not be tolerated and shall be cause for automatic disqualification from this and all future B.A.S.S. tournaments. No alcoholic beverages or prohibited drugs shall be allowed in the boats during the official practice or competition days or when in the weigh-in area.

(ii) Maximum courtesy must be practiced at all times, especially with regard to boating and angling in the vicinity of non-competitors who may be on tournament waters. Any act of a competitor that reflects unfavorably upon efforts to promote fisheries conservation, clean waters and courtesy may be reason for disqualification.

(iii) All competitors are bound by the prevailing statutes and regulations of the various states within which they fish. Some regulations may differ from these rules, resulting in fines, citations or other penalties at the discretion of law enforcement and may or may not result in tournament penalties. Competitors are responsible for research of fishing and boating regulations.

(iv) In both official practice and competition, competitors are required to have all licenses and permits required on the tournament waters in which they fish.

## **C7. ANGLER CODE OF CONDUCT**

Anglers participating in any B.A.S.S.-sanctioned event shall observe this code of conduct and the applicable rules for the specific event in which they are participating. Anglers shall, at all times, conduct themselves in a professional manner that demonstrates integrity, honor and respect toward fellow competitors, tournament staff and the general public and does not reflect unfavorably on B.A.S.S., its members, officers or representatives, tournaments or sponsors.

Anglers are frequently in the public eye and are considered role models by young people; therefore, it is imperative that tournament competitors demonstrate good sportsmanship in fishing. Sportsmanship is defined as fair play, respect for opponents and polite behavior while competing in the sport.

(i.) Following are examples of unacceptable behavior by competitors in B.A.S.S. events that will be cause for penalties as outlined in this document.

- Heated public disagreements with B.A.S.S. officials, other competitors and fans and volunteers during an event.
- Public attacks through media, including social media, upon the integrity of B.A.S.S. rules or officials.

- Public comments that an angler knows, or should reasonably know, will harm the reputation of B.A.S.S., B.A.S.S. officials or its sponsors
- Displays of anger and displeasure for reasons related to fishing competition where members of the public, including other anglers, spectators and the media, are present.
- Publicly questioning or criticizing a tournament official or official decision, ruling or penalty except through the proper channels.
- Abuse (physical, verbal, threatening or slanderous) of tournament officials, volunteers, fellow competitors or others connected with a B.A.S.S. event, including comments on social media.
- Offensive or slanderous comments with racial, cultural or sexual overtones regarding event officials, event personnel or fellow anglers.
- Intentionally interfering with a fellow angler's ability to compete.

Any disqualification, suspension or other disciplinary action imposed by any tournament or fishing organization may result in disqualification from competition and rejection of an application for participation in a B.A.S.S. tournament.

(ii.) Chemical substance addiction or abuse, conviction of a felony or crimes involving moral turpitude, may be grounds for disqualification from competition and for rejecting any application for participation.

Any angler who violates any of the provisions of the Sportsmanship Rules or the Angler Code of Conduct may be subject to fines, reduction of Angler of the Year points, forfeiture of tournament winnings, suspension from competing in individual B.A.S.S.-sanctioned events, permanent ban from competition or any combination thereof deemed appropriate by B.A.S.S.

### **Angler Code of Conduct Penalty Guidelines**

When an Elite Series angler is found to have violated the Angler Code of Conduct, the following escalating scale of fines will be imposed, in addition to any other penalties that may be deemed appropriate by B.A.S.S.:

- |   |                |   |
|---|----------------|---|
| • | First offense  | Not less than \$250 nor more than \$500   |
| • | Second offense | Not less than \$1,000 nor more than \$2,500   |
| • | Third offense  | Not less than \$5,000 nor more than \$10,000  |
| • | Fourth offense | Possible suspension or ban from the Bassmaster Elite Series and other levels of B.A.S.S. competition. |

The numbers of offenses in the list above refer to violations over the course of an angler's career, beginning with its effective date of April 28, 2014. Code of Conduct violation's will expire 5 years from the violation date..

### **C8. TACKLE AND EQUIPMENT**

Use of landing nets and grippers for landing bass is prohibited during tournament competition. During practice and competition no more than one artificial or biodegradable artificial lure may be attached to a line at one time. One lure is defined as a single manmade device designed to attract and/or catch one fish at a time. Adding trailer hooks, plastic trailers, blades, etc., to a single lure is acceptable. If multiple fish are caught on a single manmade lure, on a single cast, all fish are considered legal and may be added to the daily catch subject to scoring rules (C17). No "live bait," "dead bait," or "prepared bait" will be permitted during official practice and competition, with the exception of pork strips or rinds. Any umbrella-type rigging, harness or other device designed to hold more than one lure at a time – with or without hooks – is not allowed. Such rigging, harness or device cannot be added to a single lure as described above.

Twin arm spinnerbaits, twin arm underspins and twin arm buzzbaits are allowed. Trailer hooks and plastic trailers of twin arm baits must be on the main hook of the bait; only spinner blades can be affixed to the arms. The head on the main stem may be hinged. On these twin arm baits, no more than two wires, with a maximum length of 6 inches, may extend off the main arm or body of the lure at the head or line tie point. The bend of the main hook must be even with or trail behind where blades attach to the wires. B.A.S.S. officials have the sole authority to determine whether a lure is considered a single lure as defined above.

Only ONE casting, spin casting or spinning rod (10-foot maximum length from butt of handle to rod tip) and reel may be used at any one time. A hung or snagged lure that is not in or on the water is not considered in use and may be set aside while another is in use. Other rigs as specified above may be in the boat ready for use; however, only ONE is permitted in use at any given time. If a competitor breaks his line while setting the hook or retrieving a fish, he is allowed to make an attempt with the rod being used or with his hands to secure the visible line and land the fish for it to be counted as legal. He may NOT hook the line with another lure, rod and reel or other device. The use of braid or other line to attach one stinger hook (single or treble) is allowed but cannot be over two inches in length.

No competitor may intentionally snag or foul-hook a bass to be counted in his daily catch. Anyone guilty of intentionally snatching or snagging visible fish will have his catch disqualified. When visually fishing for bedding bass, to be counted as a legal fish, each bass must be hooked inside the mouth. With the fish's mouth closed naturally, you must not be able to see where the hook point enters the fish for it to be considered hooked inside the mouth. It is suggested anglers verify hooked in the mouth to another person in the boat. Otherwise in such type events truth verification exams may ask this question. Any fish hooked in the mouth where the hook did not enter through the mouth, but entered through the gills must be released.

Competitors, including those who have been "cut" from competition in an event, are allowed to share baits and tackle with one another at any time.

### **C9. HORSEPOWER REGULATIONS:**

Maximum horsepower for all outboard motorboats used in official tournament practice and in tournament competition will be 250 horsepower. Horsepower cannot exceed the limitations set by the U.S. Coast Guard. When required, each boat must have a U.S. Coast Guard horsepower rating plate attached to the boat by the manufacturer. The horsepower of the outboard engine must NOT exceed the rating specified on this plate nor the horsepower maximum set by B.A.S.S. Each competitor agrees to submit, by his signature on the official entry form, the boat and outboard motor used in the tournament, to an inspection by factory-trained personnel if there is any reason to suspect the horsepower is in excess of the rating. Normal maintenance of engines is allowed. Changing or altering standard factory parts of a competitor's engine to increase the horsepower over the factory horsepower rating is forbidden, and will result in disqualification. Falsifying information on entry forms or altering the horsepower-rating numbers on the engine is also cause for immediate disqualification from B.A.S.S. tournaments. Posted speed limits and those imposed by B.A.S.S. must be observed and all boats must be operated in a safe manner. Violations of speed limits may result in penalties listed under C1.

#### **C10. BOAT AND MOTOR:**

These restrictions apply during official practice and competition. For the safety of all competitors, all boats must be equipped with an approved type of operable ignition kill switch and lanyard. Only one manufacturer's lanyard may be used and must be attached to the driver's body any time the combustion engine is operating and in gear. Any time the combustion engine is operating and in gear there must be a driver in the driver's seat in full control of the boat. Fishing boats that are 16 feet or more in length may be used and must be equipped with wheel steering. No other steering device will be permitted. Any raised platforms or decks cannot be higher than the gunnels of the boat. Trolling motor brackets and electronics are not considered "raised platforms." Standing on the outboard engine or seats while fishing is not allowed. An electric trolling motor may be used for slow maneuvering. However, trolling as a method of fishing is prohibited. The "Long-Lining" or "Strolling" technique is NOT allowed in either practice or competition and defined as intentionally using a trolling motor or outboard to mechanically extend a cast. No exceptions. Only gas tanks that are installed by the boat manufacturer are allowed. No portable gas tanks or containers capable of holding gasoline can be placed anywhere on the tournament waters or shoreline for use by any tournament competitor. No "barges" or similar craft will be permitted. Jet drive engines and tunnel hull boats are not allowed during both official practice and competition. Any boat/hull designs other than standard mass-produced units are only allowed at the discretion of tournament officials.

#### **C11. BASIC BOAT EQUIPMENT:**

During official practice and competition, every boat must have all required Coast Guard safety equipment as well as a functional bilge pump. During official competition, every boat must have livewell space, properly aerated, to adequately maintain alive a limit catch of bass. B.A.S.S. recommends livewells be maintained at full level and aerators/recirculators set on manual. Tournament officials shall have the sole responsibility for determining whether aeration and capacity is proper and adequate.

Anglers must make a back seat available for Marshals each competition day. Competitors are required to make one dry storage compartment available to Marshals and to provide Marshals ample space for ice, food and drink.

#### **C12. BOAT IDENTIFICATION:**

Prior to each day's start, each boat must be given an inspection check by a tournament official. Each day, each boat may be given a number, which must remain with the boat. This number must be displayed upon the request of tournament officials and at each check-in.

### **C13. BOAT OPERATION AND EXPENSE:**

During competition, anglers are allowed to fish from anywhere inside the boat. Marshals should make every reasonable effort to not get in way of Elite anglers while they are fishing or landing fish. Marshals are not allowed to help competitors in any way for the purpose of locating or catching fish on tournament waters. Marshals are allowed to drive boats only in cases of emergency or with permission from tournament officials with exception of loading and unloading boats from trailers. All cost of boat operation is the responsibility of Elite anglers. When idling in shallow areas, anglers are allowed to ask Marshals to move their sitting position as long as the Marshal can place his feet in the bottom of the boat.

**Marshal obligations:** Marshals are required to have knowledge of BASSTrakk operation. BASSTrakk operation will be explained in the tournament briefing by tournament officials. Pros and Marshals are to be honest and timely with catch and weight reports. Any competitor who, in the judgment of tournament officials, advises Marshals to neglect or falsely report catches or weights may be penalized. Marshals are not allowed to carry GPS systems or use cell phones during competition unless directed by tournament officials. Marshals are allowed to carry still cameras, personal smart phones, or tablets. Marshal photos/videos should be discussed with pro partners regarding backgrounds, landmarks, etc. Registered Marshals are required to bring a personal PFD to each event. Marshals, at their acceptance, may be asked to text catch reports to tournament officials from their personal cell phones. Marshals are not allowed to text information to anyone other than B.A.S.S. media or tournament officials unless in an emergency situation.

If the Marshal is comfortable doing so, he/she may assist the angler with his personal POV camera. Note: If B.A.S.S. asks to mount a POV camera or similar camera in an angler's boat, the B.A.S.S. camera has priority, in terms of placement and access to power, over the angler's personal camera.

### **C14. PERMITTED FISHING LOCATIONS:**

Tournament waters shall be established by the Tournament Officials for each tournament. Each competitor must obtain this information from the B.A.S.S. Tournament Department. Any waters within these boundaries that are legally and obviously posted "Off-Limits" or "No Fishing," as well as the live-bass-release area established by the Tournament Officials, will be off-limits to tournament competitors and will be announced at the Tournament Briefing. Only that water open to all public fishing will be considered tournament waters. Waters deemed off-limits by authorities or tournament officials should be treated like a wall. No boats or casting behind that boundary while fishing. All angling must be done from the boat. In states where landowners have the legal authority to claim private property, these areas must be posted or they will be considered tournament waters unless instructed otherwise by tournament officials at any time during the event. If forced to leave, a competitor must report the incident to tournament officials as soon as possible. Any water to which a competitor is barred access becomes off-limits to all competitors.

Prior to 8 am local time the day before the tournament is scheduled to begin, any questionable areas must be brought to the attention of tournament officials to be considered tournament waters. Questionable areas will be off limits until a determination can be made with authorities and may be announced in the briefing or via text for all to know unless determined otherwise by tournament officials. Tournament officials reserve the right to restrict or enhance tournament waters based on conversations with local authorities. Competitors are not allowed to cut, remove, displace, or engage in any type structure removal from private property (dry land) during off

limits, official practice or competition. Moving structure to include sawing of logs or other obstructions in the water is only allowed if laws permit. No competitor may place any object that may impede or cause danger to boaters.

**C15. COMPETITORS MUST REMAIN IN BOAT:**

During the competition days, competitors must not depart the boat to land fish or to make the boat more accessible to fishing waters. You are not allowed to use a winch, pulley, come along, cable, rope, or similar device/tools to gain access to tournament waters. Competitors may not shift a majority of their weight outside the boat and onto a dock or other object outside the boat for the purpose of landing a bass or accessing a fishing spot. A bass that cannot be landed without the angler leaving the boat or shifting his weight outside the boat must be released immediately. While landing a fish, an angler is allowed to protect his boat by shoving it away from an obstacle as long as a majority of the angler's weight is inside the boat. Competitors are allowed to leave the boat to retrieve a lure. All fishing by that competitor must cease until the competitor is back in the boat. Only then may another cast be made. Boats must remain in tournament waters during tournament days. Competitors must leave from and return to official checkpoints by boat. Anglers and Marshals must remain in the boat at all times except in case of emergency or when danger may be imminent or with permission from the Tournament Officials. Exceptions are spelled out in rules C5, C15, and C18. In such an emergency or with permission from the Tournament Officials, competitors may move from their boat to a boat operated by another competitor, or to a rescue boat designated by the Tournament Officials. Elite anglers and Marshals must remain together at all times, in sight of the Pro's catch, under the conditions cited above, in order for the Pro's catch of that day to be scored in the tournament with the following exception. In breakdown situations and with the Marshal's permission, anglers may transfer their fish to another competitor's boat, or a tournament official-designated rescue boat, and ride to check in, and they may leave their Marshals with the disabled boat. In such cases, anglers must stay with their catches at all times. Any Elite angler whose boat is disabled and rides with another competitor or rescue boat to weigh-in is not allowed to fish from the time he leaves the boat. In the event of a needed restroom break or refueling situation at a marina gas pump, partners are allowed to leave the boat. If a competitor violates any of the above conditions (without contacting a tournament official by phone or other means or to report an emergency or breakdown), competitors must cease fishing at this point, and their catch must be verified by a tournament official in order to be counted in the tournament. If after the emergency situation is resolved by tournament officials and enough time is left for the competitor to resume fishing, a restart will be allowed, and the competitor will continue and his or her catch will be counted. This applies only to dire emergency situations as determined by the Tournament Officials or his designee. Towing boats on trailers during tournament hours is prohibited, except by the direction of tournament officials.

**C16. OFFICIAL CHECKPOINT:**

Unless specified by tournament officials, there shall be only one official checkpoint for check-out in the morning, and one official check-in point in the afternoon, which points shall be designated at the tournament briefing. Failure to go through boat check and check-out in the morning or failure to check-in at the checkpoint in the afternoon may result in disqualification. At the time of check-out, all competitors and their boats shall be in full conformity with all rules set forth by the Tournament Officials. At check-in, all boats shall identify themselves to designated tournament officials by means of the numbers described in Rule C12 or visually and proceed immediately to the designated weigh-in area. Once bass are bagged for weigh-in, Marshals are not required to accompany their angler partners through the weigh-in process.

**C17. SCORING:**

Tournament standings, contingency awards and final winners shall be determined by the pound-

and-ounce weight of each competitor's catch during the competition days of the tournament. Only largemouth, smallmouth, spotted, redeye or shoal bass will be weighed. The limit shall be five (5) of the above species and varieties per day, unless otherwise specified by tournament officials (example – hot weather/fish care concerns). At no time shall a competitor have in his or her possession more than the tournament limit. If a competitor determines he has over the limit he must immediately reduce his catch to the tournament limit with live bass of his choice from his catch. Each returned bass will result in a 2-pound penalty to be deducted from his daily score. In this case competitors must attempt to notify tournament officials and, if unsuccessful, must notify officials at check in. Once a competitor checks in, he must present all legal bass to tournament officials at the verification table. If competitors at the verification table have more than the tournament limit, the competitor will reduce with live bass to the tournament limit, and each returned bass will result in a 2-pound penalty to be deducted from his daily score. If, after a competitor has his fish verified and weighed, he discovers additional fish over the tournament limit that were not presented to officials, he then must notify tournament officials within one hour of final flight check in. A 2-pound penalty for each bass discovered will be imposed. Failure to notify officials after one hour of final flight check in time will result in loss of day's catch. Anglers who present fish at the verification table with fin clips attached will be assessed a 4-ounce penalty per clip. Manmade or foreign object(s) connected to a bass, outside of natural causes, will not be weighed and shall be removed by tournament officials. Competitors are not allowed to replace anything attached to a bass or regurgitated by a bass to be included as part of their catch.

The official length for bass shall be determined by the Tournament Officials and announced at the Tournament Briefing. In most cases it will be the longest state limit covering the tournament waters. Only bass as described above which measure the official length or more on the longest straight line, shall be weighed. Bass presented for weigh-in, which fail to measure the official length, shall result in a penalty of 1 pound for each such bass, which penalty shall be deducted from the total score of the competitor. Any bass that appears to have been mangled, mashed, mauled or otherwise altered will be weighed and credited only at the discretion of tournament officials. After competitors check in at the official checkpoint they must present all legal fish in their possession to a tournament official to be counted, measured and weighed. Once a competitor's catch is measured, counted and verified by a tournament official, that competitor may not return to the boat until their catch has been weighed and recorded. Bass must not be stringered at any time during the tournament. Specially designed bags that increase survival rate will be furnished by the Tournament Officials and must be used for the weigh-in.

#### **C18. CATCH AND RELEASE:**

**Culling of dead bass is prohibited.** For each legal dead bass presented to weigh-in officials, the competitor shall be penalized 4 ounces, to be deducted from the daily score. Competitors are allowed to ice a dead fish that is part of their daily catch. The Tournament Officials or his/her designees shall have sole authority for assessing penalty points. It is suggested in warm weather tournaments anglers keep extra ice for fish care. Contestants are allowed to purchase ice on the water from a retail store. However, they are not allowed to receive ice from non-contestants. For fish-care concerns, the verification table will open one hour before first flight check-in time. Anglers may be allowed to weigh-in early with permission from the Tournament Director. Small dip nets for culling purposes are encouraged. Dip nets cannot be used for landing bass. It is recommended competitors keep all bass in livewells during the culling process. Placing bass on the boat carpet during culling is not advised. Only non-penetrating culling clips are allowed for use. Any clip or device that penetrates the skin or mouth of a fish is not allowed. Proper fizzing technique is suggested when needed. For instructions on acceptable fizzing practices please contact B.A.S.S. officials.

**C19. LATE PENALTY:**

Competitors who are not at the official check in point, as described in Rule C16, at the appointed time shall be penalized at the rate of 1 pound per minute late to be deducted from the total weight of his/her catch that day, including any weight to be counted toward a "big bass award." Any competitor more than 15 minutes late shall lose all credit for that day's catch, including "points," under rule C20. There shall be no excuse for tardiness, and in no case, shall a competitor be allowed to make up "lost time." After proper recognition by tournament officials at the check-in point, competitors will be allowed ample time to proceed to the weigh-in site; however, all fishing must cease upon check-in. After the tournament begins, fishing the tournament waters is prohibited except during tournament hours. Exact starting and check-in times will be announced at the Tournament Briefing. It is the angler's responsibility to confirm check-in times each day on the daily pairings.

**C20. ELITE SERIES POINT SYSTEM:**

Bassmaster Elite Events will be on a 1-point-per-place starting at 104 points for all events in 2023.

Competitors must weigh a legal bass during competition to receive points. In the case where one or more competitors do not weigh a legal bass, points will end at the place of competitors weighing a legal bass.

Year-end points tiebreakers will be broken by total weight from full field days for the season. In the event these tiebreakers do not determine the AOY Champion tournament officials shall schedule a sudden-death fish-off between the tied anglers.

**C21. TIES:**

In case of a tie for first place weight at the end of a tournament, there will be a sudden-death, first legal bass fish-off between the tied competitors under the direction and special rules established by tournament officials. Ties for standard cuts and places below first at the end of the tournament will be resolved in the following order: (1) individual with heaviest single-day catch during competition; (2) if the tie is not broken, the next tiebreaker will be the individual with the second-heaviest single day catch during competition; (3) if the tie is not broken, the next tiebreaker will be the individual with the largest number of legal fish weighed during competition; (4) if the tie is not broken, the next tiebreaker will be the individual with the largest number of legal live fish weighed during competition. If the tie is not broken by applying the foregoing procedures, the tie will remain a tie. When ties for cut position are not broken by the foregoing procedures, competitors still tied will compete for the next cut. Additional places will not be awarded. Monetary prizes for each competitor will be awarded in equal amounts. Angler of the Year points will be awarded for the place of the tied position and each competitor will be awarded equal points. In B.A.S.S. Elite events where weights are zeroed, ties for cuts going into the final round shall be broken by Angler of the Year standings following most recent concluded Elite Series event.

**C22. PAIRINGS:**

Marshals/camera operators/media members may be assigned to each boat. Announcement of your first-day partner shall be made at the Tournament Briefing, which must be attended by anglers and Marshals. It shall be the responsibility of each partner to appear at a mutually agreed upon location with sufficient time remaining to check out at the official checkpoint and start on time. Tournament officials shall have no responsibility for finding missing partners. The Tournament Officials, at his/her sole discretion, may reassign partners prior to the morning take-off. It is suggested that a minimum of 30 minutes is required for preparation to depart to the check-out

point. When partners check out at the beginning of the day, they must stay together and within sight of each other and the Pro's catch throughout the day until the Pro's fish are bagged for weigh-in, except in case of dire emergency (see Rules C15, C16 & C18 for exceptions). A competitor must not allow any bass caught by him/her to be counted on the score of another competitor. In such a case, both competitors shall be disqualified from this tournament and from all future tournaments conducted by B.A.S.S.

### **C23. RULES VIOLATIONS AND APPEALS COMMITTEE:**

Appeals for penalties assessed under Rule C1 (b), (c), (d), (e) & (f) or under C7 Angler Code of Conduct must be presented in writing to the Tournament Officials within 48 hours from the time of the ruling being appealed. An appeals committee will be established by B.A.S.S., which shall be comprised of one B.A.S.S. employee not affiliated with the Tournament Department, and two anglers who were not competitors in the event in question. Appeals hearings shall take place within seven (7) business days, if possible, from the date of receipt of the written appeal. All parties must make themselves available at prescribed time of hearing. If competitors admit to a rules violation, they may not file an appeal of either the finding that they have violated the rules or the penalty imposed for the violation. Decisions of the appeals committee shall be final.

Names of the ruling committee members are to remain confidential and must not be disclosed to the public.

Competitors are allowed to compete while under appeal. Should an angler fishing under appeal make a cut, the next angler below the cut will be invited to compete on the cut day with the clear understanding that any prize money and points he might earn will be contingent upon the outcome of the appeal. If the appealing angler wins his appeal, the additional angler below the cut will revert to the points and prize money he was due at the end of fishing prior to the cut day. Final standings will not be official until all appeals hearings are final and ruled upon. However, all standings above that of any appealing angler, as well as any adjusted final standings may be declared official. Standings, including AOY points and monetary awards, may be adjusted after appeals final ruling and all affected anglers shall comply with all details of the final ruling.

### **C24. B.A.S.S. SPONSOR BOATS:**

When using B.A.S.S.-supplied boats, anglers are responsible for the physical care of the boat. Damage to the boat which is determined by the Tournament Officials to be excessive or wanton shall result in the angler being responsible for all costs of repair.

### **C25. TAXES:**

Where and when state laws require income taxes be withheld on cash awards to non-residents, the taxes will be automatically deducted prior to the awards being presented to the winners. Participants are responsible for all applicable taxes, execution of all tax forms, and rules on both cash and merchandise awards. Various states require withholding tax on merchandise be paid upon the awarding of certificates; anglers awarded merchandise certificates in these various states are responsible for remitting this tax to B.A.S.S. Failure to meet those obligations may result in reduction of Angler of Year points, fines and/or disqualification from all future B.A.S.S. Events.

### **C26. WAIVER AND RELEASE:**

As a condition of participation in each tournament, each competitor and Marshal must execute a waiver and release of liability and a name and likeness release.

All rights reserved. Reproduction or use of any material in these rules prohibited except by written permission of B.A.S.S.
